VELUTTO

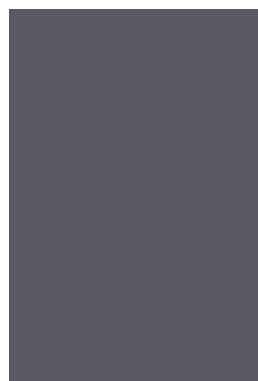

PP 2260 | Blackout

PP 2261 | Bianco Puro

PP 2262 | Grigio

PP 2263 | Grafitto

Desenvolvido com uso de nanotecnologia, **Velutto** é um laminado de alta pressão (HPL) diferenciado devido ao tratamento "anti scratching", ou seja, riscos superficiais decorrentes do uso diário são apagados facilmente com a utilização da esponja de melamina.

Políticas de Compras

Sempre que fizer um pedido na Furnitoures.com um dos nossos vendedores especializados entrará em contato com você logo após a sua compra. Fazemos isso para garantir nosso atendimento e assegurar que sua compra esteja de acordo com os acabamentos e texturas desejados.

Pagamentos

Em nossas lojas físicas aceitamos dinheiro, PIX, cartão (débito e crédito) e transferência. Online somente PIX.

Frete

Entregamos com frota própria na Grande São Paulo e por transportadora para o todo Brasil.

Nossos produtos são entregues sempre devidamente embalados para transporte.

Catálogo e Lojas Físicas

Nosso catálogo de fórmicas é o mesmo que o digital, porém, podem haver algumas nuances de tonalidade e texturas em relação ao original, para evitar isso, nossos vendedores especializados estão sempre disponíveis para atendê-los nas lojas físicas ou de forma remota.
